**The Band Sponsor Board Members Welcome You!**

High School Band offers many challenges to your musician including; band competitions, Jazz Band, Pep Band and Concert Band. Band Sponsors help to finance many of the band's activities by maintaining uniforms, paying entry fees for competitions, providing drinks for the bands at the Memorial Day Parade, helping finance band Camp and numerous other activities.

**This is an invitation for you to join the Deer Park Band Sponsors.** Whether you have a student in band, are an alumnu or simply enjoy the many performances by the band, we need your support to insure the continued success of this award-winning program. Your support may come in the form of **Band Sponsor Membership** or it may come in the form of a commitment of your time. If you are interested in helping, please mark the activities below that you can assist with.

**Band Sponsor meetings** are held on the last Tuesday of the month in the Deer Park High School Teacher's lounge. All Parents are invited to attend – please come and share your ideas!

THANK YOU !
